Comfortable.
Natural looking.
No unsightly
metal clasps.

With Lucitone® FRS™, you get a great fitting partial, firm enough to handle the job, yet flexible enough to provide a more comfortable fit.

- *Great fit!*
- *More comfortable since it flexes.*
- *Excellent strength and beauty.*
- *Lightweight.*
- *Available with clear or colored clasps.*
- *Can be combined with metal frame-work as diagnosed by your dental professional.*

So comfortable, so aesthetic, no one will know you're wearing a partial—not even you!

Ask your dentist for more information on Lucitone® FRS™ flexible partials!
